	<i>Homework</i>				
	Exam Questions and/or revision activities				
Business - BTEC	Unit 1				
	<i>Homework</i>				
	Innovation and Enterprise	The success of Innovation and Enterprise	The changing market environment	Assignment 2 corrections	Assignment 2 corrections
	Unit 2				
	<i>Homework</i>				
	Planning and developing a Marketing campaign	Appropriate Aims and Objectives	SWOT analysis	PESTLE analysis	Research Data

Business - A Level	Decision making and marketing				
	<i>Homework</i>				
	Marketing decisions	Product decisions	Distribution decisions	Promotional decisions	Digital marketing
	Supply chains and outsourcing				
	<i>Homework</i>				
	Improving Quality	Inventory and Supply chains	Inventory and Supply chains	Outsourcing	End of unit test
Chemistry	"Module 3: Periodic Table and Energy Module 4: Core Organic Chemistry"				
	<i>Exam question practice</i>				
	Bond Enthalpies Alcohols	Rates of Reaction Haloalkanes	Boltzmann Distribution Haloalkanes	Equilibrium Organic Synthesis	Spectroscopy
Computer Science	Unit 6 Communication Technology and Consequences, Unit 7 Data Structures				
	<i>Homework</i>				
	Pizza App	Lists	Hash Tables	Graphs	Trees

Dance	Practical - Rehearsing and refining choreography pieces, solo and group performance pieces. Theory - Understanding Christopher Bruce as a practitioner and exploring works created by the other directors of Rambert Dance Company.				
	<i>Homework</i>				
	Exam practice questions, creating movement material for choreography. Refining solo and group pieces, reading, research and revision.				
Drama	Set text, Our Country's Good (comp 1) Prepare for a performance of devising (comp 2)				
	<i>Homework</i>				
	Homework this half term will consist of a variety of tasks that continue to develop and support the learning and understanding of the set text. Creating and refining devising performance, completion of their devising coursework.				
Engineering	Students will be working on a variety of topics covering mathematical principals, mechanical principals and electronic and electrical principals from Unit 1 and 2 of the course.				
	<i>Homework</i>				
	Homework will consist of consolidation of work covered in lesson, exam practice and working on assignments.				
English Language and Literature	A Streetcar Named Desire / Non-fiction Writing				
	<i>Homework</i>				
	Revision	Contextual research on texts in the Anthology	Research on author and context of A Streetcar Named Desire	Advanced reading on scenes	Contextual research on texts in the Anthology

English Literature	Age of Innocence/ Introduction to Shakespeare				
	<i>Homework</i>				
	Revision	Research on Shakespeare	Advanced reading on scenes	Comparative writing across Age of Innocence and Great Gatsby	Comparative writing across Age of Innocence and Great Gatsby
Finance	Financial Planning				
	<i>Homework</i>				
	Informed choices	Unforeseen events	Ethics & Sustainability	Information and advice	Informed choices
French	Le patrimoine				
	<i>Homework</i>				
	grammar/reading/listening worksheet	grammar/reading/listening worksheet	grammar/reading/listening worksheet	grammar/reading/listening worksheet	grammar/reading/listening worksheet
Further Maths	<p>Teacher 1: Topics to be covered include Vectors (P2 Ch 12), Moments (A2 Ch 4), Forces & Friction (A2 Ch 5), Projectiles (A2 Ch 6) and Application of Forces (A2 Ch 7)</p> <p>Teacher 2: topics to be covered include Binaomial Expansion (P2 Ch 4), Sequences & Series (P2 Ch 3), Numerical Methods (P2 Ch 10) and the Normal Distribution (A2 Ch 3)</p>				
	<i>Homework</i>				
	Homework tasks are a combination of consolidation of topics covered in class, Dr Frost end of chapter assessments and practice papers.				

Geography	Hazards				
	<i>Homework</i>				
	Exam practice	Independent research using TEAMS	Exam practice	Independent research using TEAMS	Exam practice
	Diverse places				
	<i>Homework</i>				
	Exam practice	Independent research using TEAMS	Exam practice	Independent research using TEAMS	Exam practice
Graphics	Unit 1 and Unit 7 Live BTEC assignments				
	<i>Homework</i>				
	All students are independently working on their unit 1 live assessment this Term	All students are independently working on their unit 7 live assessment this Term	All students are independently working on their unit 7 live assessment this Term	All students are independently working on their unit 7 live assessment this Term	

Health and Social Care	Unit 2 - Working in Health and Social Care				
	<i>Homework</i>				
	Learning Aim A case study/exam practice questions	Revision for end of learning aim test	Learning Aim B practice exam questions	Learning Aim B extended question practice	Learning Aim B revision
	Unit 11 - Psychological Perspectives				
	<i>Homework</i>				
	Assignment 1 Task 1	Assignment 1 Task 1	Assignment 1 Task 2	Assignment 1 Task 2	Resubmissions
History	Britain Transformed c.1918-97				
	<i>Homework</i>				
	Reading and comprehension activities	Overview of Education	Section A Essay	Reading and comprehension activities	Reading and comprehension activities
	Boom, Bust and Recovery USA c.1920-55				
	<i>Homework</i>				
	Essay planning activity	Section B Essay	Reading and comprehension activities	Overview activities	Section A Essay

Law	Mental Capacity Defences , General Defences & EU Law, Parliamentary Law Making & Delegated Legislation, Statutory Interpretation & Judicial Precedent				
	<i>Homework</i>				
	A02 essays	A03 essays	A02 and A03 essays	A01 essays	A01 essays
Maths	Teacher 1: topics to be covered include Coordinate Geometry of circles (P1 Ch 6), the Binomial expansion (P1 Ch 8) and Forces & Motion (A1 Ch 10)				
	Teacher 2: topics to be covered include Logs & Exponentials (P1 Ch 14), Probability (A1 Ch 5, Correlation (A1 Ch 4) and Statistical Distributions (A1 Ch 6)				
	<i>Homework</i>				
Homework tasks are a combination of consolidation of topics covered in class, Dr Frost end of chapter assessments and practice papers.					
Media Studies	UNIT 3 – Digital Media Skills				
	Externally marked unit taken under formal supervision. Research, plan, and prepare material for the formal supervision period.				
	<i>Homework</i>				
Prepare storyboards and planning for your exam sequence.	Find digital assets in order to edit your sequence.	Gather shots and digital assets to complete your Media Enterprise sequence.			
Music	Courtney Pine and Berlioz Set works. Developing Harmonic understanding and free composition development. Ongoing Performance assessment.				
	<i>Homework</i>				
	Harmony workbook	Performance practice	Harmony workbook	Essay practice	Harmony workbook

Photography	Introduction to A Level Coursework (60% of A level).				
	<i>Homework</i>				
	Exploring theme ideas, researching Photographers for inspiration, taking photographs relevant to their chosen theme and written annotations in order to explain the development of their ideas clearly.				
Physics	Teacher 1 - Materials / Thermodynamics Teacher 2 - Waves and Wave behaviour of matter
