Sketchbooks are used by students to record a variety of subjects, starting points and to present Contextual information. They are encouraged to record their experiences in different ways, using a variety of media. Sketchbooks can be bought via Wise pay.						
	<i>Homework</i>						
	Create an A3 inspiration page on the theme of Close-Ups.	Finish off A3 Tonal drawing of a shoe	Research page on Vincent Van Gogh's studies of shoes	Copy one of Vincent Van Gogh's shoe studies in appropriate media	Produce own version (pastiche) of a Van Gogh shoe study in appropriate media.	Research page on Jim Dine's tool studies.	Research page on Cubism.
Biology	Chapter 1 Biological Molecules and Chapter 3 Cells						
	<i>Homework</i>						
	Polymers and Measurements	Carbohydrates and Microscopes	Carbohydrates and Eukaryotic cells	Proteins and Prokaryotic cells	Enzymes and the cell cycle	Lipids and Mitosis	Nucleic acids and Mitosis required practical
Business - BTEC	Unit 3 Unit 6						
	<i>Homework</i>						
	Reading , set questions, Key terms list.	Assessed Homework question.	Reading , set questions, Key terms list.	Text Reading, Seneca, Key terms.	Reading , set questions, Key terms list.		

Business - A Level	<p>Understanding the purpose and nature of business. Understanding different forms. Understanding that businesses operate within an external environment. Understanding management, leadership and decision making. Understanding management decision making. Understanding the role of stakeholders.</p>						
	<i>Homework</i>						
	Reading, set questions, Key terms list.	Assessed Homework question.	Reading, set questions, Key terms list.			Text Reading, Seneca, Key terms.	Reading, set questions, Key terms list.
Chemistry	Module 2: Foundations in Chemistry						
	Atomic structure. The Mole.	Relative mass. Formula and equations. Types of formula.	Electron structure. Moles and gas volumes. Moles and solutions.	Ionic bonding. Covalent bonding. Reacting quantities.	Induction test. Shapes of molecules. Reacting quantities continued.	Electronegativity and polarity. Atom economy. Percent yield.	Intermolecular forces. Ideal gas equation.
	<i>Homework: Practice questions including exam style questions. Quizzes set in TEAMS. Folder organisation. Researching useful websites.</i>						
Computer Science	HW & SW, Comms and Consequences						
	<i>Hardware 4/23</i>						
	HW & SW	HW & SW	HW & SW	HW & SW	T2 Exam	Comms	Comms
Dance	Rambert (study area), Rooster (set work), Solo, Choreography						
	<i>Homework</i>						
	Rambert history notes	Rooster short answer questions			Choreography research		Performance skills
Design & Technology	Introduction to materials and processes						
	<i>Homework</i>						
	Materials exam questions	Sketching task	Plastic processes write up	Context driven ideas generation, sketching skills developed	Plastic processes exam questions	Paper and board modelling of design ideas	ONSHAPE CAD tutorials

Drama	Introduction to A-Level Drama (Component 1, Section C Live Theatre Review + Component 3, Extract 1 Monologue Performance) LDA (Introduction to Set Text 'Our Country's Good) PLE						
	<i>Homework</i>						
	Research chosen Shakespearean monologue and complete Bridging Project.	Choose x3 Key Moments from Live Theatre Production. Continue OCG Character research.	Begin monologue Rehearsal Logs. Complete OCG character profile(s.)	Continue Rehearsal Log and learn lines for scripted extract. OCG written exam practice.	Begin Reflective Report 1st Draft. OCG exam practice feedback.	Prepare for monologue performance (Extract 1.)	OCG Quiz.
Economics	Theme 1 - 1.1 The Nature of Economics & 1.2 How markets work. Theme 2 - Quantitative methods. 2.1 Measures of economic performance. 2.2 Aggregate demand						
	<i>Homework</i>						
	Theme 1 - Data response / questions	Theme 2- Research into economic performance measures	Theme 1- Research into economists	Theme 2 - Data response questions	Theme 1 - revision for end of term assessment	Theme 2- Revision for end of term assessment	Theme 1 & 2 - Review / corrections for assessment
English Language and Literature	Introduction to mode and texts in the Anthology						
	<i>Homework</i>						
	Text	Contextual Research - Anthology	Contextual Research - Anthology	Contextual Research - Anthology	Contextual Research - Anthology	Contextual Research - Anthology	Contextual Research - Anthology
English Literature	Introduction to mode and texts in The Great Gatsby						
	<i>Homework</i>						
	Text	Gatsby Context - 1920s America	Gatsby Context - 1920s America	Rossetti Research	Rossetti Research	Rossetti Research	Rossetti Research

Finance	Unit 1 - Financial capability for the immediate & short term						
	<i>Homework</i>						
	Purposes of money questions	Personal lifecycle research	LIBF questions	Payment methods research	Savings products questions	Revision for test	Borrowing products questions
French	La Famille en voie de changement/la cyber-société						
	Cybersociety: reading worksheet	Family topic: speaking worksheet and vocabulary on Quizlet/cybersociety: write 3 paragraphs to answers 3 questions (using research)	Family: Worksheet on the imperfect/200 words on the decline of marriages/cybersociety: Research on how French people use the internet plus vocabulary	Family: translation and reading worksheet/cybersociety: worksheet on the use of technology	Family: perfect tense worksheet and writing Pour etre un bon parent +vocabulary/cybersociety: questions to prepare (research)	Family: ex: 5c,b,c,d and ex 6 p.25 plus vocabulary/Cybersociety: listening worksheet and vocabulary	Family: writing worksheet (150 words) ex 5p.51
	Coordinate geometry, algebraic methods, quadratics, graphs and transformations, equations and inequalities, differentiation, integration, binomial expansion, trigonometry, coordinate geometry of circles						
Further Maths	<i>Homework</i>						
	Coordinate geometry, algebraic methods, quadratics, graphs and transformations, equations and inequalities, differentiation, integration, binomial expansion, trigonometry, coordinate geometry of circles						
	Coordinate geometry, algebraic methods, quadratics, graphs and transformations, equations and inequalities, differentiation, integration, binomial expansion, trigonometry, coordinate geometry of circles						
Geography	Human - Globalisation						
	<i>Homework</i>						
	What developments have accelerated the shrinking world?	Complete notes on causes of globalisation	Tanzania conflict matrix	Trade blocs	Exam practice	Externalities of globalisation	Rural - urban migration
	Physical - Coasts						
	<i>Homework</i>						

	Field sketch	Plan 12 mark question	Georeview	Erosional landforms research	Sediment cells worksheet	Revision	Map skills, exam question and georeview
Graphics	Induction and Unit 10- Materials, techniques and processes						
	<i>Homework</i>						
	Watch a range of YouTube artists videos and subscribe to ones you like	Create a poster about the rules of composition	Complete your composition drawings designs	Read through the 6 stories in the brief, make notes on the plot.	continue researching and analysing the stories in the brief	Creatively present all of your research	Practice drawing a range of portraits using the loomis method
Health and Social Care	H&SC - Unit one Unit 4 – Enquiries into Research in Health and Social Care 2021-2022						
	<i>Homework</i>						
	INDUCTION – BTEC Courses procedures, course content, assessment process	Human Lifespan development LA A Life-Stages – introduction Purpose of research in the health and social care sector - The purpose of research	Physical- Development-in- Infancy-and-Early- Childhood Physical- Development- Adolescence and adulthood Purpose of research in the health and social care sector -	Intellectual development Piaget and Chomsky - cognitive theories Health conditions	Emotional & Social development- self- concept/play LA A Bowlby - attachment theory Erikson - social development theory Lifestyle factors	Learning Aim A Preparation and revision activities Unit 1 Mock Exam Learning Aim A Social care and welfare needs	Exam feedback and progress review LA B Nature vs Nurture debate LAB Bandura - Social learning theory Gesell - maturation theory
History	Paper 1: Britain Transformed, 1918-1997						
	What can be said about Britain in 1918?	Changing political landscape: 1918-1931	Political consensus in post-war Britain	Government responses to economic problems: 1918-45	Economic challenges in the post-war period	Changing nature of the British workforce 1918-45	Breakdown of industrial relations after WWII

	Paper 2: USA c.1920-1955 - Boom, Bust and Recovery						
	<i>Homework: Section A Source Essay (20)</i>						
	What can be said about the USA after World War One?	US economic boom of the 1920s	Intolerance in 1920s America	Causes of the Wall Street Crash	Were the 1920s really 'roaring'?	What can be said of America by 1930?	Impact of the Great Depression on America
Law	Parliamentary Law making: how Parliament make law and the advantages and disadvantages of parliamentary law making.	Delegated legislation: types, control and evaluation. Law reform: methods of law reform including influences on Parliament and evaluation.
	<i>Homework</i>						
	Access MS Teams, purchase folder and core textbook	Parliamentary Law Making: How laws are made -write up of stages	Parliamentary Law Making Quiz	Exam style question on the evaluation of Delegated Legislation	Mindmap consolidating Statutory interpretation	Assessed homework: Exam style question on the essentials of judicial precedent	Mindmap consolidating the influences on parliament
Maths	Coordinate geometry, algebraic methods, quadratics , graphs and transformations, equations and inequalities, differentiation						
	<i>Homework</i>						
	Bridging unit revision	Coordinate geometry	Algebraic methods	Quadratics	Graphs and transformations	Equations and inequalities	Differentiation
Media Studies	Lighting Techniques and Film Editing. Investigating the use and purpose of lighting in moving image products. Understanding how lighting creates meaning. Applying lighting techniques to create practical set ups. Using non-continuity and continuity editing techniques to create test sequences.						
	<i>Homework</i>						

	Find your own examples of work by the editing pioneers. Search through YouTube – write down how it illustrates the Pioneer’s techniques.	Find your own examples of all the Lighting techniques we have discussed. Search through YouTube – write down why the lighting set up has been used.	Finalise and complete work on your Continuity and Non-continuity PowerPoint including the effect it has on the audience.	Continue work on both your Editing and Lighting LAA submission.			
Music	Performance and Composition pieces, building a portfolio. Jazz, Swing, Blues, Big Band.						
	<i>Homework</i>						
	Revision of basic notation for all clefs, rhythmic and pitch identification, circle of 5ths and major/minor keys.						
Photography	The A Level Course begins with an introductory project on the theme of Abstract and encourages students to explore different media and techniques within Photography. Digital Sketchbooks are used by students to record a variety of subjects and starting points, and to present Contextual information. This first half term will focus on exploring some of the main principals of Photography.						
	<i>Homework</i>						
	What is photography? Curate an imaginary exhibition	Further reading and research of appropriate Photographers linked to lesson learning tasks.					
Physics	Electrical quantities						
	<i>Homework</i>						
	Exam style questions	Exam style questions	Exam style questions	Exam style questions	Exam style questions	Exam style questions	Exam style questions
Politics	Paper 1: UK Politics						

	What is Politics? What are Political Parties?	The Labour Party	The Liberal Democrats	The Conservatives	Small parties in the UK	Party systems and funding	What are elections?
	Paper 2: UK Government						
	<i>Homework: Section A Essay Question (30)</i>						
	The development of the Constitution	Sources of the UK Constitution	Changes to the Constitution post-1997 - Under Labour	Changes to the Constitution post-1997 - Under the Conservatives	Role and powers of devolved bodies and impact of devolution	Debates on further reforms	Structure and role of the House of Commons and House of Lords
PSHE	PHSCE passport information	UNIFROG careers	Tolerating Intolerance	Unifrog quiz	Free Speech	Intro to work experience	Social Justice
Psychology	Paper one and two topics						
	<i>Homework</i>						
	Research Methods and Ethics - Experimental Methods			Memory - Multi-store model	Memory - Working memory model	Memory - Eye witness testimony	Memory - Cognitive Interview
RE / Philosophy	Paper 2, Ethics. Starting with Topic 2 (Three Normative Ethical Theories)						
	<i>Homework</i> <i>Explore and Analyse questions on Utilitarianism: Explore the key concepts of Act Utilitarianism (8)</i> <i>Analyse the weaknesses of Act and Rule Utilitarianism as methods of resolving moral dilemmas. (20)</i>						
	Introduction to Ethics; Introduction to Bentham's Utilitarianism	J.S. Mill. Focus on Act and Rule.
