Parent Webinar - Student Finance

Thursday 28th March 6pm - 7pm

We have established some great links with many Universities, as a result of this we have been given the opportunity to advertise the above event that is being hosted by Bath University.

This session is aimed at parents of students in Year 12 or 13 who are looking to start university in 2024 or 2025 and will cover applying for student finance and eligibility, additional sources of financial support, and student budgeting.

(It will also include details of scholarships and bursaries that are specifically available at Bath, however this information will still be very useful to hear about as it will give you an idea on what might be on offer at the Universities that are relevant to your child.

To find out more and to book online, please see the following link:
