

INCLUSION FOCUS FILM

Moonlight

A 'coming of age' film. The film presents three stages in the life of the main character: his childhood, adolescence, and early adult life. It explores the difficulties he faces with his homosexuality and identity as a black homosexual man, including the physical and emotional abuse he endures growing up.

THOUGHT OF THE WEEK

ROLE MODEL OF THE FORTNIGHT

Millie Bobby Brown

British actress and model, Millie Bobby Brown, best known for playing the character Eleven in the series *Stranger Things*, was born with partial hearing loss in one of her ears. Over several years, she eventually completely lost hearing on that side. When she's performing, she can't fully hear herself, but she hasn't let that slow her down.
